

Who we are

Norcaucho is a manufacturing facility located in Lekunberri (Spain). We are part of the AR-TEX group, an Italian International company with more than 45 years of experience in the rubber market. Our core business is the design and the manufacturing of engineered elastomeric components, for different sectors, mainly automotive and Heating & Plumbing.

Applications

- Sealing
- Fluid Management
- Anti-Vibration

Markets/Industries

- Automotive
- Heating and Plumbing
- Industrial

Quality Certifications

- ISO 9001
- ISO/TS 16949
- ISO 14001

Welcome to AR-TEX World

We are a human group of 370 workers, with manufacturing plants distributed in different countries around the world.

Products

BOOTS

Steering and Suspension applications for Automotive.

GASKETS

Turbo Sealing applications for Automotive.

FRAMES

Sealing applications for Automotive and water piping.

MEMBRANES & CUSTOM PARTS

Gas and Water valves applications.

ORINGS

Several Sealing applications for Automotive and Heating & Plumbing markets.

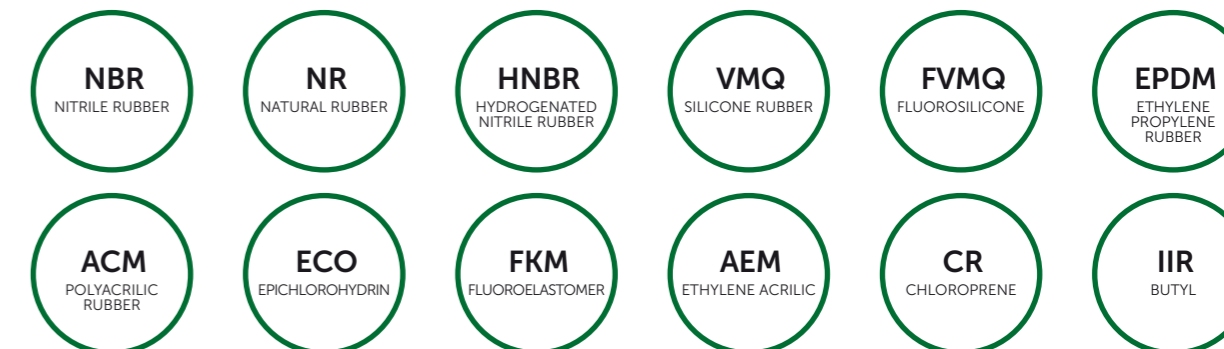

DAMPERS

Oil and Air Sealing dampers for Automotive and industrial applications.

Materials

Material homologations

Full range of homologations available for:

VW 281
TL 637
RENAULT 03 10 100
DBL 6038
...

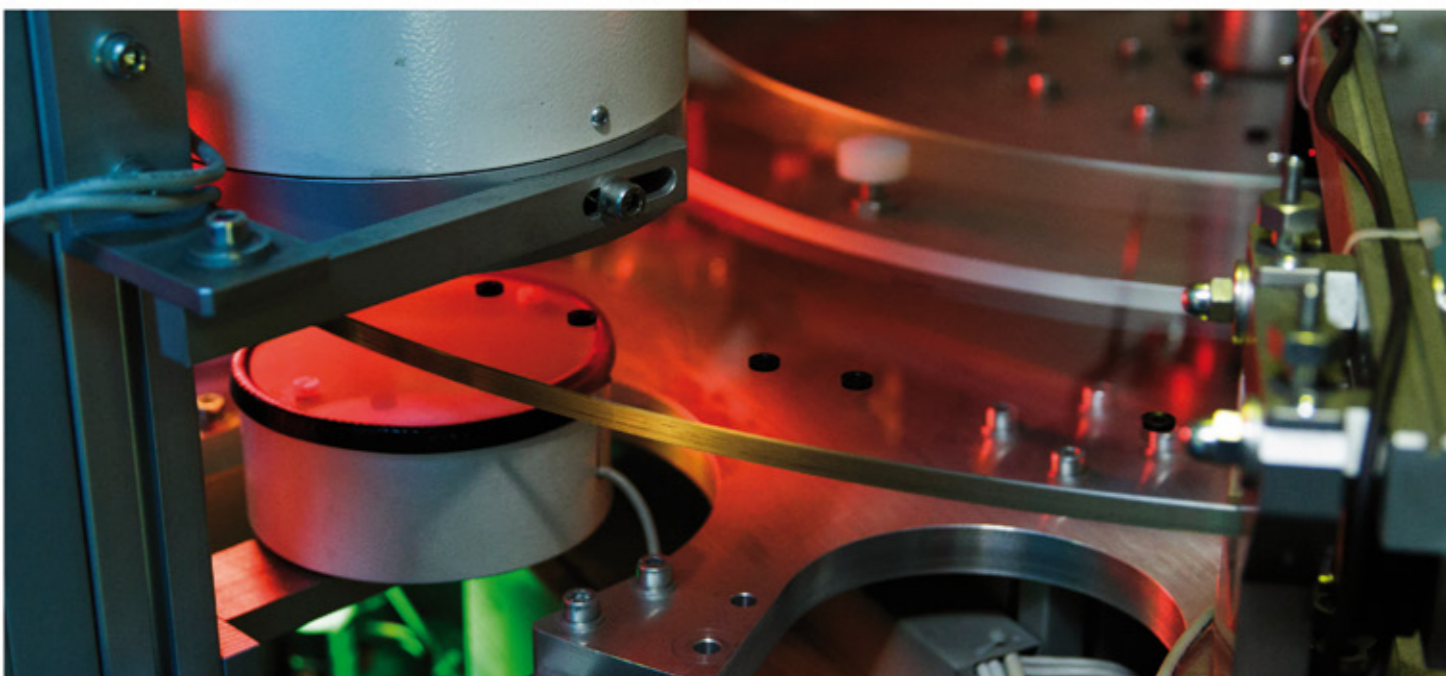

EN 549
UL 157
EN 682
...

WRAS
ACS
NSF
W270
...

Our Strengths

- PRODUCT AND PROCESS DESIGN
- COMPOUND DEVELOPMENT
- ADVANCED MANUFACTURING PROCESSES
- LOCAL & GLOBAL COMPANY

Advanced solutions in elastomeric components
